

MW FOUNDATION – PROJECT PROPOSAL

1. Organization Overview

Name: MW Foundation

Type: Community-Based Initiative (Non-Profit)

Location: Nairobi, Kenya

MW Foundation is a community-driven initiative focused on empowering vulnerable children and youth—both boys and girls—by providing support, mentorship, and opportunities for a better future. Founded from personal experience, the foundation believes that one act of support can change a life.

2. Founder's Background & Motivation

The founder of MW Foundation grew up as an orphan and experienced firsthand the challenges of limited support, resources, and guidance. Through the help of a kind individual, their life was transformed. MW Foundation was created to extend that same support to others.

Goal: To become the helping hand that every vulnerable child deserves.

3. Problem Statement

- 1 Lack of access to education materials
- 2 Financial hardship affecting school attendance
- 3 Limited mentorship and guidance
- 4 Inadequate access to basic needs

4. Project Title
